

How to download Team App

- 1) Go to the app store on you mobile device (iPhone or Android).
- 2) Search for Team App – icon will look like this

- 3) Once downloaded, open the **Team App** and in the “find your team’ search filed, type in “Rupertswood CC” and once it appears, select it to proceed – look for this icon

- 4) From the opening homepage you should be prompted to request access to your required groups within RupoCC Team – App, this would be the age group you are coach or team manager for, the team your child plays in and /or the team or group you require updates on
- 5) Once you have selected your group/s and entered some basic information, plus provided a reason as to why you require access (e.g. My son plays in the U/13s team) you then submit and wait for the administrator to approve.
- 6) Once approved you are ready to go !
